

To,
All BBPOUs,
Bharat Bill Payment System,
NPCI Bharat BillPay Ltd

Dear Sir/Madam,

Subject: BDA architecture - IP whitelisting at BBPOU's end.

This is to inform you that BBPS application is migrating from existing Architecture to Billion Day Architecture that supports scaling to 1 billion transactions a day and in Active-Active model for high availability. In view of BDA Architecture migration at CU end, we request BBPOUs to Whitelist New BDCU IP mentioned as below:

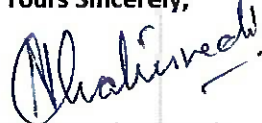

S. No	Source IP	Destination IP	Port	Remarks
1	BBPOU'S IP	192.168.171.64	443	New BDCU IP
2	BBPOU'S IP	192.168.116.134	443	Existing BDCU IP

Transactions can originate from both IPs at BDCU while OUs can continue to respond to the same existing IP till they are in compliance with BDA ping API. Failing to whitelist the IP, may result transactions failure. BBPOUs are requested to start the process of the IP whitelisting immediately and complete the same on or before **05th September 2023**.

Confirmation may be sent to below mail address: bbps.support@npci.org.in

All the BBPOUs are advised to take note and disseminate the information to all the relevant officials concerned.

Yours Sincerely,

Noopur Chaturvedi
Bharat Bill Payment System,
